## *Connoisseur's Corner*

### CAOL ILA 12 YR OLD WHISKY 350

*Is single malt, has a sweet start, pleasant, light fragrant smokiness and a lengthy finish. Caol Ila (pronounced 'Cull Eela' means 'sound of Islay'. It's the most hidden away malt distillery on Scotland's most famous whisky island. Caol Ila is considered by experts to be the perfect entry point into the world of peaty malt whiskies.*

### TALISKER 10 350

*A classic Island dram from the island of Skye. Talisker is a full bodied and smoky, island whisky; its palate brings rich dried fruit sweetness with clouds of smoke and strong barley-malt flavors. It is huge, long warming and peppery in the finish with appetizing sweetness.*

### Bushmills Whiskey 350

*"Bushmills is the golden member of the family. It's a blend of triple distilled single malt whiskey with as; lighter Irish grain whiskey. The folks back at the distillery will tell you it's an approachable whiskey with a rich, warming taste of fresh fruit and vanilla. Me? well to me it has a fruity burst that sits on my tongue before turning honey in my cheeks. Try it and you'll see what I mean"*

### Tanqueray 350

*Tanqueray London dry gin, the cornerstone of the brand, epitomizes a quality London gin. It is distilled four times and includes only four botanicals; juniper, coriander, angelica and liquorice. It starts with the man, Charles Tanqueray. The bold spirit who traded the church for the still and in the process created one of the worlds's most awarded gins. Legend has it that Tanqueray was the first drink in the White House after the repeal of prohibition.*
